

Parts Manager College Course™

December 12-14, 2017*

Charlotte, NC

Everyone who attends this Course say it is the best Course they have ever attended!

Edwards & Associates, the leading experts in Fixed Operations, presents Parts Manager College Course™. This exciting and informative course will teach Parts Managers how to increase Sales, increase Gross Profit Margins, reduce inventory investment, eliminate over-aged inventory, increase Counter Person Sales per transaction, and increase Department Net Profit.

"Others can teach you the ABC's of Parts Management. I will teach you how to Net 25% while reducing your investment in inventory, increasing your inventory turns, and improving Sales per Employee"

-Larry Edwards

Program at a Glance: Larry Edwards, Chairman and CEO of Edwards & Associates Consulting, Inc. will lead This College. Larry is the Author of "American Automobile Industry" and has published over 150 articles on strategy, innovation, teambuilding, leadership, diversity, managing Dealership Service, Parts, Collision Shops and Independent Repair Facilities.

Managers will leave this class having studied:

- How to Evaluate Parts Inventory
- How to Analyze Parts Financial Performance
- Parts Inventory Management
- How to Increase Parts Gross Profit
- Effective Parts Marketing
- How to Develop Family Pricing
- How to Develop New Wholesale Business
- The Difference Between Gross and True Inventory Turns
- How to make their DMS Software Work for Them
- Setting and Achieving Parts Sales Goals
- How to Manage Manufacturers Daily Stock Replenishment Programs
- How to Develop Pay Plans that get Results

Here is what past attendees said about this course

"I really appreciate your time. Thanks, so much for the training, you have no idea how much it helped my department and me. It was by far the best training I ever had and I look forward to taking more classes. Thanks!" -Joel F.

"Larry Edwards provided a mirror-like picture of our true performance and opportunities then armed us with invaluable information through his experience and access to data in order to help us set next level goals. Not to stop there, he has given us consistent training resources and follow up to actually attain these goals." -Michael A.
